Fire/Mage: Combo, Control

Welcome to Grand Archive TCG! In this game, you control a champion selected by the Grand Archive to be a savior of a world nearing its end. You will have a 60-card deck filled with reliable Allies, powerful Attacks, and potent Actions in addition to a side deck of powerful equipment to help your champion emerge victorious. Defeat the other player's champion to win the game! Watch our "**Grand Archive TCG Quick Start Guide**" on YouTube to get started!

Deck Introduction

Rai is a curious mage whose desire for knowledge knows no bounds. His deck includes many strong spells that he can use to increase his power and defeat his enemies, as well as reliable allies that can protect him. Become enlightened in the pursuit of magic and unleash devastating spells that lay waste on the battlefield! Beware of swordsmen whose advent of strikes may delay your preparations and warriors whose strong fortitudes are resistant to your magic. Maintain your concentration and have faith in the arcane!

Gameplay Tips

Rai uses fire magic to burn away threats on the field while he builds up his knowledge of the Arcane. His allies will protect him from most attacks and help channel his mana for stronger and stronger spells. When Rai reaches level 3, he can unleash the power of Arcane magic to copy spells, obliterate armies, and deal heavy damage to opposing champions! For ruling help, join our discord! Regalia Item – Bauble

Whenever an ally you control dies while it is not your turn, you may banish Life Essence Amulet. If you do, draw a card.

An amulet that resonates with the loss of life. It is commonly used by commanders to detect when a soldier dies in enemy territory.

Regalia Item – Bauble

Banish Bauble of Empowerment: Your champion gets +2 levels until end of turn.

Mages often store their excess mana into such crystals. If used by even a novice mage, one might mistake them as far greater.
