

**Welcome to Grand Archive TCG!** In this game, you control a champion selected by the Grand Archive to be a savior of a world nearing its end. You will have a 60-card deck filled with reliable Allies, powerful Attacks, and potent Actions in addition to a side deck of powerful equipment to help your champion emerge victorious. Defeat the other player's champion to win the game! Watch our "**Grand Archive TCG Quick Start Guide**" on YouTube to get started!

### Deck Introduction

Lorraine is an aspiring swordsman who hones her edge and raises her blade for the sake of justice. Her deck includes a multitude of weapons and attacks that she uses to defeat her opponents as well as many strong allies that answer to her call and protect her. Amass your army and attack your opponent's champion! However, beware of mages. They might defeat your allies one by one or destroy your army entirely! Keep up your advance and don't let them prepare their destructive spells!

### Gameplay Tips

Lorraine uses attacks and weapons to remove enemy allies from the field while using her allies to take down your opposing champion. Maintain your advantage with cheap attacks while you build a strong army. When Lorraine reaches level 3, she can borrow the powers of Spirits to guide her power up her attacks and finish off her opponents! For ruling help, join our discord!
